Mission Statement

Under the guidance of the Holy Spirit,
the people of St John the Evangelist
are called to embrace the Church's mission
of proclaiming the Good News of Salvation
through Jesus Christ for all.

Our witness to the presence of God
and our reaching out to others,
allows us to deepen our relationship with God.
We accomplish this through our worship together,
especially in the celebration of the Eucharist;
through ongoing faith development,
for all people of all ages and life situations;
through the performance of good works;
and through responsible stewardship,
by which we care for the gifts given to us by our God.

Parish Leadership

The councils and commissions provide leadership for the parish community by serving as consultative bodies to the Pastor and Parish Staff. The councils (Executive and Finance) collaborate with the Pastor to address the challenges and opportunities of the overall parish. Commissions provide leadership in one particular area of the parish needs (i.e. - school, facilities, liturgy, faith formation).

Both councils and commissions serve to advise the Pastor by making recommendations for priorities, strategic planning, and communications. New members are discerned through the Parish Discernment Process.

Executive Committee

The Executive Committee is a consultative body to the Pastor that recommends parish priorities and directions through pastoral planning and long-range visioning. The council also fosters understanding among the parishioners and parish organizations through communications and open dialog.

Chair: Frank Feeman ffeeman@comcast.net

Finance Council

The Finance Council facilitates the on-going mission and ministry of the parish through the stewardship of the parish's financial and personnel resources. Working with the Pastor and Pastoral Assistant for Administration, the council recommends priorities, directions and policies; oversees the parish budget; and engages in long-range financial planning.

Chair: Frank Feeman ffeeman@comcast.net

Faith Formation Commission

The Faith Formation Commission serves as a consultative body to the Pastor by assessing the parish's need for faith formation, ensuring that quality faith formation programs are implemented for all age groups.

Parish Representatives: Julia Rudden jrudden@stjohnsea.org

Kristin Kent kkent@stjohnsea.org

Liturgy Commission

The Liturgy Commission recommends policies and practices to help foster the parish's sacramental, liturgical and spiritual life. Acting as advisors to the Pastor, the members also collaborate with those in the liturgical ministries.

Chair: Joe Sullivan joe.sullivan1020@gmail.com

School Commission

The School Commission advises and supports the Pastor and Principal in the formation of policy and the ongoing development of the parish school. It works with the Principal and school staff to facilitate the implementation of the school's Five-Year Plan. The Commission facilitates communication and understanding among the parish organizations.

Chair: Patrick Owens powens10487@yahoo.com

Social Justice Commission

The Social Justice Committee is about being the hands of Christ here on earth. We do things such as; organize service outings, publish a monthly calendar with service opportunities in our neighborhood and city, maintain a link on the parish website with local volunteer opportunities, make a Lenten "service tree" with service "ornaments", and take ideas from parishioners and try to make them happen!

Parish Representative: Kristin Kent kkent@stjohnsea.org

Stewardship Commission

The Stewardship Commission promotes the stewardship of the time, talent and treasure by providing education on the principles of good stewardship and developing methods of fostering stewardship among parishioners. It works to promote the annual parish campaign for stewardship and the annual Archdiocesan Catholic Appeal.

Parish Representative: Teresa Gillett tgillett@stjohnsea.org

Facilities Committee

The Facility Supervisor works in consultation with the Pastor and Pastoral Assistant for Administration by assessing the entire physical plant needs. The function of the Facility Committee is to perform maintenance and repair projects. The intent is to maintain and improve the parish facility. The committee offers expertise and assistance.
