

Watching a Mass on Facebook Live-stream

Mass will be live-streamed, real-time at the time Mass is being held, but you can tune in at any time during or after the Mass and watch the video through Facebook. We will also post a Vimeo video to our web page as soon as we can after Mass is complete.

[Click here](#) to access our Facebook page. When you click the link you will be taken to our page and you might see something like the picture below pop up. If you have a Facebook account you can log in and view it that way, but if you do not have an account just click the highlighted portion where it says "Not Now" and it will let you bypass the login/create new account process.
